

Refurbishment Co-ordination

The LOCS principals have participated in and co-ordinated hotel refurbishments throughout Australia, New Zealand and Indonesia representing owners and operators to ensure cost efficient, timely and desired results are achieved.

The LOCS team has the capacity to provide oversight for the full spectrum of refurbishment activities ranging from project management through to interior design.

Specific areas where the skills and experience of The LOCS principles and team enhance the refurbishment outcome are;

- Design review to accommodate operating practicalities
- Introduction of 'environmentally aware' systems and equipment into the planning stage
- Development of a works schedule
- FF & E selection, procurement, receipt and installation
- Logistics and handling
- Introduction of 'environmentally aware' systems and equipment into the planning stage.
